MDO-X 230mm

4 BISCUIT ADJUSTABLE MDO WITH SNAP CLIPS INSTALLATION

Ideal for heating and general ventilation applications.

With all the great features of the MDO-X range in a new smaller size.

FEATURES

- Completely flush adjustable blades, so you can direct airflow where you want it with no unsightly shadows on the ceiling
- The louvers are fully adjustable but have the strength to remain stable in strong airflow
- The finish is lightly etched to reduce reflection
- The edges are softer and more rounded to give a more contemporary look
- New snap clip installation makes fitting easier and less likely to dislodge during adjustment and cleaning*
- Available with optional neck adaptor
- Designed for 10-13mm plasterboard
- The MDO-X range now comprises 230, 300, 350, 400, 450mm and 525 x 350mm 6 way

ITEM #	DESCRIPTION
231200	230mm 4 way*
231201	300mm 4 way
231202	350mm 4 way
231203	400mm 4 way
231204	450mm 4 way
231205	525 x 350mm 6 way

* Snap clip currently available only on MDO-X 230
